

For a strong, local voice for Abbey... Vote

Richard Johnson

Vote  Labour on Thursday,
3rd May 2012

Labour has been dealing with issues that are of concern to local residents but on which Greens and others have said little and done nothing:

- ✓ ***Campaigning for a bus service to Addenbrooke's hospital***
- ✓ ***Action on rubbish collections, dog fouling & street cleanliness***
- ✓ ***Standing up for tenants threatened with rent hikes***
- ✓ ***Cracking down on street drinking & anti-social behaviour***
- ✓ ***Tackling traffic congestion & road safety***
- ✓ ***Keeping Marshall at the airport & supporting skilled jobs***

Richard says: "If I am elected as your Labour councillor, I promise to work hard to continue dealing with these issues of concern, and more, to ensure that Abbey is **safer, fairer, cleaner and greener.**

I will be **YOUR VOICE** in tough times."

Clare Blair, former Cambridge Lib Dem Party Vice-Chair and former Councillor, who recently joined Labour.

LOCALLY...

Vote Labour to elect Labour city councillors to end Lib Dem neglect and:

- ✓ make Cambridge safer, ending no-go areas in the city centre at night

Second ex-Lib Dem Councillor Joins Labour!

Former Queen Edith's Councillor, Richard Stebbings, said "I have decided to join Labour because the Lib Dems are now so out of touch and divided, both locally and nationally. Every week they focus their time more on political point scoring rather than delivering on the concerns of typical residents that I care most for."
