**Vote Labour** on Thursday,  
3rd May 2012

Nick Clegg's Lib Dems are so tired and divided that two former Lib Dem councillors, Clare Blair and Richard Stebbings have now joined Labour.

As former East Chesterton Councillor, Clare Blair said:

*"I simply cannot condone, support or be part of a Liberal Democrat-Tory coalition government which I believe is acting against almost every principle and policy I consider important. I have joined the Labour Party as I believe that it offers the only real alternative to this locally and nationally."*

Use your vote to send a clear message to Nick Clegg's Lib Dems: *Stop voting through right-wing Tory policies and breaking your promises!*

**Vote Labour on Thursday, 3rd May**

**Only Labour can beat the Lib Dems in East Chesterton**

Labour's 'Contract with Cambridge' will make East Chesterton and Cambridge a better place after years of Lib Dem neglect.

Margery says: *"Labour's commitment to calling on people in East Chesterton all year round means that we are constantly in contact with the issues that concern local residents."*

- Keep the pressure on the Councils for **your** priorities for anti-social driving in Fen Road
- Make sure money secured for sports and community facilities are actually used and quickly!
- Make sure the regulations on dog fouling are enforced.
- Protect the very popular hanging baskets in the High Street

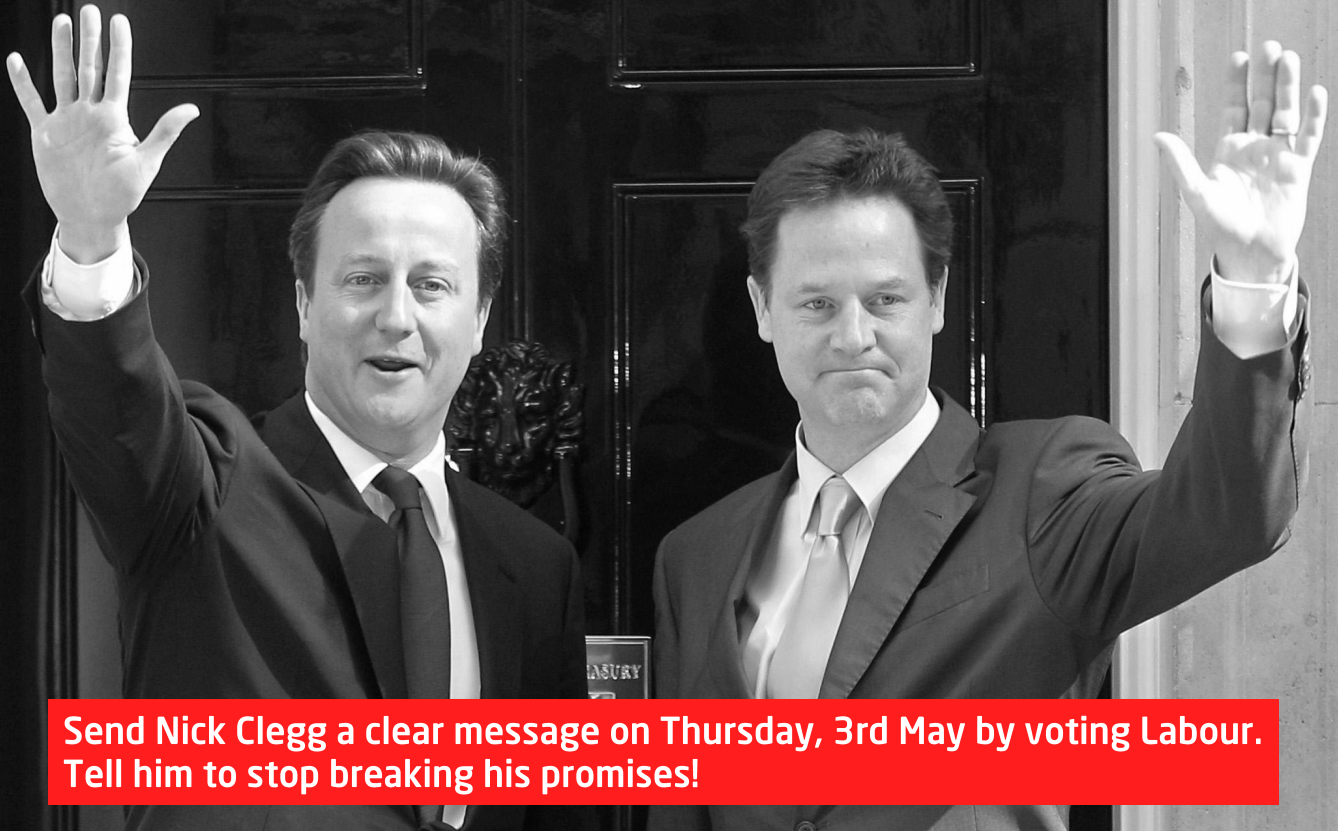

*"Labour listens to your concerns and we will take action to deal with these and other issues that you have raised with us. If elected I will work with Labour's Councillor Gerri Bird to get a better deal for East Chesterton."*

# Labour is with you in tough times

Hands up if you support David Cameron's Tory policies.

Send Nick Clegg a clear message on Thursday, 3rd May by voting Labour. Tell him to stop breaking his promises!

## NATIONALLY...

Vote Labour so Cambridge sends a clear message to Nick Clegg to stop the Lib Dems breaking their election promises like their...

- ✗ tax cuts for millionaires, paid for by millions of pensioners and families
- ✗ disastrous economic policies causing rising unemployment and recession
- ✗ privatising the NHS and tripling student fees
- ✗ cutting police budgets and officers on Cambridge streets

Former Queen Edith's Councillor, Richard Stebbings, has also joined Labour. He said:

"I have decided to join Labour because the Lib Dems are now so out of touch and divided, both locally and nationally. Every week they focus their time on political point scoring rather than delivering on the concerns of typical residents that I care most for."

## LOCALLY...

Vote Labour to elect Labour city councillors to end Lib Dem neglect and:

- ✓ make Cambridge safer, ending no-go areas in the city centre at night
- ✓ clean up neglected areas of the city, removing 'two tier Cambridge'
- ✓ build more badly needed affordable homes, in the right places
