

Vote **Market Ward** **Noel Kavanagh** **Vote Labour** on Thursday, 3rd May 2012

Why do local Lib Dems want to protect rogue landlords?

Desperate Lib Dems are trying to distract voters from their many broken promises by claiming that Labour wants to drive private tenants and young people out of the City and force up rents. It's a lie. The exact opposite is the truth.

We want better protection for tenants, better regulation of badly-run Houses in Multiple Occupation, and balanced communities. Lib Dem-controlled councils like Bath are doing the same and Southampton Lib Dems are proposing an extremely tough 10% cap which goes too far.

Noel says: *"They are opportunistic and unprincipled, saying one thing here and another somewhere else - anything to try to win votes. It's time for change!"*

Only Labour can beat the Lib Dems in Market!

Nick Clegg's Lib Dems are so tired and divided that two former Lib Dem councillors, Clare Blair and Richard Stebbings, have now joined Labour.

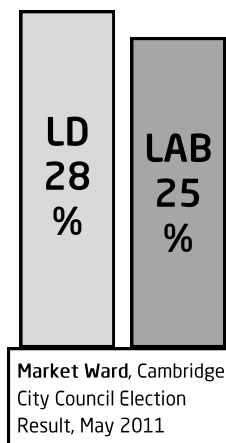

As former Queen Edith's Councillor, Richard Stebbings, said just recently:

"I have decided to join Labour because the Lib Dems are now so out of touch and divided, both locally and nationally. Every week they focus their time on political point scoring rather than delivering on the concerns of typical residents that I care most for."

Your Vote Matters!

Last year Labour came second in Market, just **89 VOTES** behind the Lib Dems following a dramatic collapse in their support. This year, your vote could help elect Noel as your Labour councillor.

So use your vote to send Nick Clegg's Lib Dems a clear message: stop voting through right-wing Tory policies!

Hands up if you support David Cameron's Tory policies.

Send Nick Clegg a clear message on Thursday, 3rd May by voting Labour. Tell him to stop breaking his promises!

NATIONALLY...

Vote Labour so Cambridge sends a clear message to Nick Clegg to stop the Lib Dems breaking their election promises like their...

- ✗ tax cuts for millionaires, paid for by millions of pensioners and families
- ✗ disastrous economic policies causing rising unemployment and recession
- ✗ privatising the NHS and tripling student fees
- ✗ cutting police budgets and officers on Cambridge streets

"I simply cannot condone, support or be part of a Liberal Democrat-Tory coalition government which I believe is acting against almost every principle and policy I consider important."

Clare Blair, former Cambridge Lib Dem Party Vice-Chair and former Councillor, also recently joined Labour.

LOCALLY...

Vote Labour to elect Labour city councillors to end Lib Dem neglect and:

- ✓ make Cambridge safer, ending no-go areas in the city centre at night
- ✓ clean up neglected areas of the city, removing 'two tier Cambridge'
- ✓ build more badly needed affordable homes, in the right places
